First Aid Measures

Inhalation: UNLIKLELY - Remove victim from source of exposure. Move into fresh air and keep at rest. Get medical attention if any discomfort continues.

Skin: Wipe off excess material with cloth or paper. Wash skin thoroughly with soap and water. Get medical attention if irritation persists after washing.

Eyes: Rinse with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing for at least 15 minutes. If irritation continues SEEK MEDICAL ADVICE.

Ingestion: DO NOT induce vomiting. IMMEDIATELY rinse mouth and give plenty of water to drink (200-300ml). Give milk instead of water if readily available. DO NOT induce vomiting. Get medical help immediately.

Storage

Storage: Keep in original labelled container, tightly closed. Store in cool, dry place

Spillage: Sweep up. Wipe area then wash area.

Disposal of Substances & Contaminated Containers

Hazardous Waste Skip Return to Depot Return to Supplier Other

(If Other Please State): Non Toxic can be placed in refuse

Is exposure adequately controlled?

Yes No
