State the Risks to Health from Identified Hazards

EC Classification: H315: Causes skin irritation. H411: Toxic to aquatic life with long-lasting effects. H318: Causes serious eye damage. H400: very toxic to aquatic life

Control Measures:

Always read label / MSDS before use and comply with details.
 To be used by trained operative (professional) only
 Keep in original, labelled container.
 Remain in control of substance at all times. Storage to be restricted to certified store, out of storage use to be confined to regulated vehicle.
 Records to be kept on usage and location in pest control master file.
 Operator to wear suitable PPE when handling and applying As detailed below. Records of PPE maintenance to be held centrally.
 Waste product to be retained and disposed of by Pest Control operator as per EA guidelines

Safety Phrases:

P280 – Wear protective gloves/protective clothing/eye protection/face protection.

P305+P351+P338 – IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

P310 – Immediately call a POISON CENTER or doctor/physician.

P264 – Wash contaminated skin thoroughly after handling.

P302+P352 – IF ON SKIN: Wash with plenty of soap and water.

P501 Dispose of contents/container in accordance with national regulations

Is health surveillance or monitoring required?

Yes

No

Personal Protective Equipment (state type and standard)

 <input type="checkbox"/>		 <input type="checkbox"/>	To be worn when using

First Aid Measures

Inhalation: Remove person to fresh air and keep comfortable for breathing. Not expected to present a significant inhalation hazard under anticipate conditions of normal use

Skin: If on skin: wash area with plenty of soap and water. Immediately take off contaminated clothing and wash it before reuse. If skin irritation occurs get medical attention

Eyes: If in eyes: Immediately rinse with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Seek immediate medical advice/attention and call a POISON CENTRE

Ingestion: If Swallowed: Rinse mouth. Do NOT induce vomiting. Drink plenty of water. Never give anything by mouth to an unconscious person. Seek medical advice/attention if you feel unwell.

Storage / Spillage

Storage: Store in original container, tightly closed in a cool, dry place. Store away from children, food, beverage, and animal feed. Store away from Oxidizing agents. Strong acids/bases Store in a well-ventilated location.

Spillage – In case of unsealed container or spillage secure source of contamination and move product to empty container. Spillages should be treated by appropriate sorbent (sand, sawdust, diatomaceous earth, vermiculite, universal absorbent), collected to closed container, labelled and safely disposed. Area of spillage should be cleaned with water. Cleaning up should be conducted under appropriate ventilation.
