### State the Risks to Health from Identified Hazards

**EC Classification:** No classified as hazardous

### Control Measures:

Always consider non-toxic and least toxic options before application  
 Always read label / MSDS before use and comply with details.  
 Remove non target organisms / People during application  
 For use only in areas that are inaccessible to infants, children, companion animals and non-target organisms.  
 When used outdoors, ensure the product is applied to areas that are inaccessible to wet washing or wash-out by rain.

Prevent access to baits and do not use where contamination of feeds / foodstuffs may occur  
 To be used by trained operative (professional) only.  
 Do not permit entry to drains. When used externally ensure bait is protected from rain.  
 Keep in original, labelled container. Remain in control of substance at all times.  
 Storage to be restricted to certified store, out of storage use to be confined to regulated vehicle.  
 Records to be kept on usage and location in pest control master file.  
 Operator to wear suitable PPE when handling and applying As detailed below. Records of PPE maintenance to be held centrally.  
 Waste product to be retained and disposed of by Pest Control operator as per EA guidelines.

**Safety Phrases:**

- P101 If medical advice is needed, have product container or label at hand.
- P102 Keep out of reach of children.
- P103 Read label before use.
- P273 Avoid release to the environment.
- P391 Collect spillage.
- P501 Dispose of contents/container to a collection point for dangerous and special waste.

Is health surveillance or monitoring required? Yes  No

**Personal Protective Equipment (state type and standard)**

 <input type="checkbox"/>	Dust mask	 <input type="checkbox"/>	Visor	
 <input type="checkbox"/>	Respirator	 <input checked="" type="checkbox"/>	Goggles	Wear goggles if applying above head height or if risk assessment deems it necessary
 <input checked="" type="checkbox"/>	Disposable gloves to EN374	 <input type="checkbox"/>	Overalls	
 <input checked="" type="checkbox"/>	Steel toe cap boots to be worn as per company dress code.	 <input type="checkbox"/>	Other	

**First Aid Measures**

**Inhalation:** Inhalation unlikely. Move the victim to fresh air. If breathing is irregular or stopped, administer artificial respiration. Keep patient warm and at rest. Call a physician or poison control centre immediately.  
**Skin:** Take off all contaminated clothing immediately. Wash off immediately with plenty of water. If skin irritation persists, call a physician. Wash contaminated clothing before re-use.
