

Christmas Inspirations

Let *Nurture* create something magical this year

The importance of Christmas displays

The festive season is one of the busiest times of year and vital to all types of businesses, but it can also be a stressful time. Organising your Christmas trees and displays can be a thankless, time-consuming task which unnecessarily ties you up and pulls you away from other priorities. Your business needs a beautiful Christmas display to spread festive cheer and attract your audience, but a poor display can have quite the opposite effect!

Let us take the stress out of Christmas.

'Tis the season to be joyful, leave it to us to provide your business with stunning Christmas trees, decorations and lights that make you shine. Every year we are trusted to deliver stunning Christmas displays for hundreds of businesses. Whether you're looking for elegant real trees, eye-catching replicas, or bespoke themed installations, we take the stress out of Christmas, so you can focus on your business.

We offer a range of packages suited to different settings and budgets. Our specialist team provides everything you need, saving you time and stress, from professional advice to design and efficient installation of your display. Then once the festivities are over, we carefully remove your decorations, returning your business to normal.

Real Trees

Harvested from sustainable UK Tree Farms, our real Nordman Fir Christmas trees offer an authentic feel with the distinctive scent of fresh pine needles.

Every tree provides a unique and authentic charm with natural variations in appearance and is decorated to the finest detail with lights and coloured ornaments by our expert installation team.

Available in a range of sizes for both indoor and outdoor display, our real Christmas trees are the epitome of Christmas tradition, bound to lift moods and get everyone in festive spirits. Our service includes dismantling and recycling the tree for compost.

- **Material and Composition:** Harvested from Nordman Fir, real Christmas trees offer an authentic feel with the distinctive scent of fresh pine needles.

- **Customisation:** Provide a unique and authentic charm with natural variations in appearance.

- **Longevity and Durability:** Typically last a few weeks, showcasing natural variations in size, shape, and colour, but may shed needles and require disposal.

- **Environmental Impact:** Biodegradable and sourced from renewable resources, contributing to an environmentally friendly option when properly recycled.

- **Cost Considerations:** Involve an annual cost, with prices varying based on tree size, type, and local market conditions.

Replica Trees

Meticulously crafted to bring an air of opulence and sophistication to your festive setting, our replica commercial Christmas trees are a symphony of realism and elegance, featuring lush, lifelike foliage that mirrors the beauty of nature.

Boasting carefully placed ornaments and lights, they are available in a range of colours and sizes suited to your taste, brand, and budget.

- **Material and Composition:** Crafted from artificial materials such as PVC or polyethylene, replica Christmas trees offer a realistic appearance while maintaining a consistent shape and colour.
- **Customisation:** Allow for consistent size, shape, and colour, offering a more tailored and customisable appearance to suit specific preferences.
- **Longevity and Durability:** Provide longevity, remaining lush and vibrant throughout the entire holiday season and beyond, offering a reusable option for multiple years.
- **Environmental Impact:** Non-biodegradable and made from various materials, potentially impacting the environment during production and disposal. However, replica trees can be used year on year, extending their lifespan.
- **Cost Considerations:** Offers long-term savings, as they come at a reduced cost to its live alternative, as they can be reused for several holiday seasons.

Choosing The Right *Christmas Tree* For Your Space

Our Christmas tree sizing guide is designed to help you find the perfect tree for your setting, whether it's a compact office or a spacious reception area. Trees are available in a range of sizes and styles, and can be fully customised with our handpicked decorations to complement your festive theme.

To ensure the best fit and visual impact, please share key details about your space, including ceiling height and the dimensions of the area where the tree will be displayed. If you have any specific preferences for the size or style, let us know. With this information, we can recommend a tree that not only fits beautifully but also elevates your seasonal display.

A Sustainable Service

All trees are dressed with LED energy efficient lights

Delivery and collection with our local teams – minimising travel and maximising efficiency

Artificial trees are reused. After each year they are, refurbished and stored at our premises

Live trees are sourced from our partners who have a sustainable approach to growing.

After Christmas, live trees are sustainably recycled

Decorations are responsibly sourced, sustainable, and include natural materials (metal, wood, rope etc)

Our target is to be Net Zero by 2040

Premium Christmas Trees

Transform your holiday experience with our premium replica and real Christmas Trees, meticulously crafted to bring an air of opulence and sophistication to your festive setting. Each tree is a symphony of elegance, featuring lush foliage that mirrors the beauty of nature.

The Premium Collection boasts exquisite detailing, from carefully placed ornaments to the perfect balance of lights, creating a stunning centrepiece that radiates luxury. Elevate your holiday traditions with these show-stopping trees, where every branch is a testament to quality and refinement.

Let Us Create *Something Special* For You This Christmas

Bespoke Christmas Themes

Bring your festive vision to life with a fully bespoke Christmas decoration service tailored to your space, style, and brand. Whether you're aiming for a specific colour scheme, a unique concept, or subtle branding elements, our design team will work closely with you to create a display that's truly one of a kind.

From custom decorations to themed installations, this personalised option transforms your space into a memorable and meaningful festive experience that reflects your identity and delights visitors throughout the season.

Frosted Wonderlands

Amidst the glistening landscape, immerse yourself in a world where the beauty of winter unfolds in every shimmering detail, inviting you to revel in the enchantment of the season.

The Nutcracker

Step into a whimsical world inspired by the beloved holiday classic. This vibrant display brings the magic of the Nutcracker to life with colourful toy soldiers, glittering ornaments, and enchanting scenes.

From towering figures to finely crafted details, every element reflects the charm and wonder of Tchaikovsky's timeless tale, creating a traditional yet magical atmosphere.

Harlequin

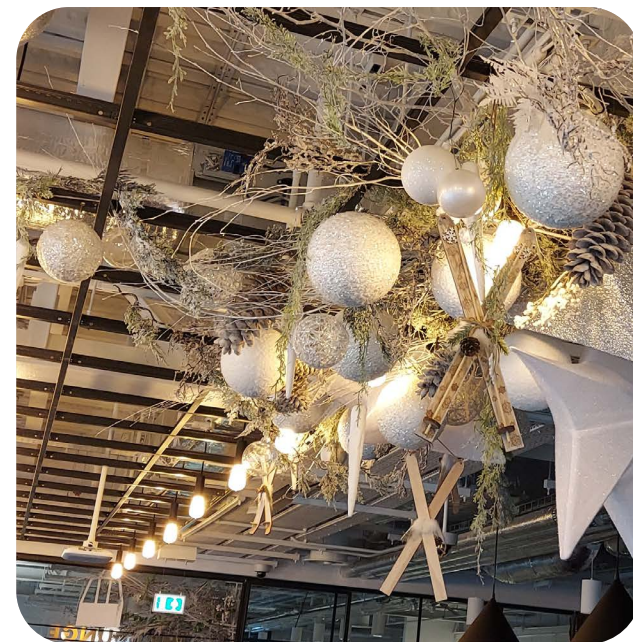

Bring playful elegance to your festive display with our Harlequin-inspired theme. Featuring bold red, green, gold and monochrome diamond patterns, this eye-catching design adds a theatrical twist to traditional décor. Perfect for creating a vibrant, joyful atmosphere with a touch of festive drama.

Apres Ski

Create a magical alpine escape with our Après Ski display, designed to bring your team and clients together in a festive, cosy setting. Featuring snowy flocked trees, rustic logs, sledges, soft blankets, and frosted details, every element captures the charm of a mountain retreat.

From an Instagram-worthy igloo to Ski Bar touches with wooden barrels, this theme transforms your space into a warm, wintry haven perfect for celebrating and unwinding.

Candy Cane

Crisp, playful and unmistakably festive, our Candy Cane Christmas display captures the joyful spirit of the season in every detail. Classic red and white hues wind through the space, bringing a sense of nostalgia and childlike wonder to offices, receptions and shared spaces alike. It's a cheerful, high-impact theme that feels instantly Christmassy while remaining beautifully styled.

Inspired by the simple pleasures of the holidays, the Candy Cane theme celebrates togetherness, tradition and festive delight. Swirls of peppermint tones, sparkling ornaments and soft twinkling lights create an inviting atmosphere that lifts the mood and makes any space feel ready to celebrate. Perfect for creating a memorable seasonal statement that feels both timeless and fun.

Luxe Glow Celebration

Refined and radiant, our Luxe Glow Celebration brings an understated elegance to the festive season. Soft golden tones, gentle illumination and layered textures create a warm, sophisticated atmosphere that transforms spaces with effortless style. Designed to feel contemporary yet timeless, this theme delivers festive impact with a polished, premium finish.

The Luxe Glow palette celebrates light, calm and celebration in perfect balance. Subtle metallic accents, glowing foliage and shimmering details work together to create an inviting setting that feels both uplifting and serene. Ideal for modern offices and statement spaces, this display captures the magic of Christmas through warmth, glow and refined seasonal beauty.

Great Gatsby

Celebrate Christmas in true 1920s style with our award-winning Great Gatsby display. Featuring bold geometric patterns, feathers, pearls, and Art Deco glamour, this luxurious theme captures the opulence and energy of the roaring twenties. Perfect for making a dazzling statement this festive season.

The *Perfect* Finishing Touches

Garlands & Wreaths

Add festive charm with our beautifully crafted garlands and wreaths. Made with seasonal foliage and adorned with vibrant ornaments to match your colour scheme, they bring warmth and tradition to doors, mantels, and more, creating a classic holiday atmosphere in any setting.

Beneath The Tree

Capture the magic of giving with our festive gift box decorations. From simple parcels to bespoke, detailed designs, these ornaments add a sense of wonder and anticipation beneath your tree or throughout your display.

Festive Displays

Our carefully crafted replica displays combine traditional yuletide blooms and seasonal foliage to create warm, welcoming focal points. Featuring vibrant poinsettias and fragrant evergreens, each arrangement brings the magic of the season to your space.

Festive Lights

Transform your outdoor space with festive Christmas lights, from twinkling fairy lights to seasonal motifs. Perfect for highlighting architecture or setting a magical evening atmosphere, these lights bring warmth, cheer, and lasting holiday memories.

Seasonal Statements

Our towering evergreens, reaching up to 12 meters, create stunning outdoor displays adorned with twinkling lights and seasonal decorations. Perfect for city squares, corporate campuses, and public spaces, these iconic trees bring festive cheer and a breathtaking presence that captivates from afar.

Any displays over 350cm will be subject to an in person site survey attended by one of our Christmas surveyors / managers.

Sustainable Solutions

Our meticulously crafted arrangements blend traditional yuletide blooms with seasonal foliage, creating captivating focal points that welcome guests with warmth and cheer. From vibrant poinsettias to fragrant evergreens, each display is thoughtfully curated to infuse your space with the magic of the season.

Wreath Making Workshops

Boost team spirit and well-being with our engaging wreath-making workshops. Guided by expert instructors, colleagues create personalised festive wreaths while enjoying a creative, collaborative break. These hands-on sessions enhance morale, reduce stress, and create a positive workplace culture.

What You Need To Know

- All displays are installed by our fully trained Christmas technicians.
- All our Christmas displays are unique. Whilst we have our set range of colours, we work with you to ensure your vision is met with the use of decorations.
- For all bespoke creations, we visit your space prior to installation. This ensures your displays will look perfect.
- We cover the whole of the UK, and no space is too small or too large.
- Once the Christmas period has finished, we work with you to arrange a suitable collection of displays from your workplace.
- All reusable Christmas trees and decorations are carefully stored until the next festive season.

Need *More* Information?

Enquire now and speak to a member of our Christmas Team for a no obligation quote and to discuss what options would work for your workspace.

Design

Begin your festive journey by exploring our enchanting range of displays. Talk to our design team to discuss your workplace requirements and receive a tailored quote.

Install

Sit back and relax as our skilled team takes charge of bringing your chosen display or Christmas tree to life in your space.

Order

Our dedicated Christmas team will guide you through the seamless ordering process and once received your display will be reserved and prepared prior to delivery.

Collection

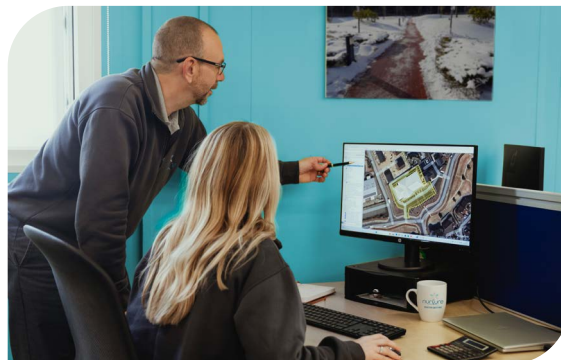

As the holiday season concludes, our team will schedule a convenient time to dismantle and remove your display, returning your business to normal.

Be Prepared For The Challenges Of Winter

Winter can be beautiful – but for businesses, it brings serious challenges. Snow, ice, and freezing temperatures can grind operations to a halt, cause injuries, and create significant legal and financial risks.

Whether you manage one site or a nationwide portfolio, you can't afford disruption. You need a partner who understands these risks and takes them off your plate.

Nurture Winter Gritting is that partner.

Your trusted winter maintenance partner

At Nurture Winter Gritting, we don't just grit roads and car parks. We protect people, properties, and reputations.

- Proactive and reactive winter gritting
- Proactive and reactive snow clearance
- Winter maintenance & salt supplies
- Bespoke site surveys & risk assessments
- Weather forecasting & activation alerts (using Met Office data)
- Full liability protection & documentation
- Ice Master portal access (24/7 service tracking)
- 24/7 job control & customer support

We care about doing things right – with professionalism, transparency, and a personal touch.

Don't risk being under-prepared for winter

Failing to prepare for winter weather can have real consequences:

- Risk of slips and falls for staff, visitors, and customers
- Legal liabilities from accidents and injuries
- Operational shutdowns and disruption
- Emergency costs and reactive repairs
- Stress and frustration from lack of control
- Damage to your reputation

We believe no business should face winter alone. Our job is to bring you certainty, safety, and peace of mind.
